CRAIG WRITTEN UP

FORMER MARYVILLE MAN BACKS SHAKESPEARE FETE

HOME, HOLLYWOOD, CALIF.

Los Angeles Examiner Makes Feature Story of Celebration by Noted Actors

An article of interest to many Maryville people appeared in the Sunday edition, May 7, of the Los Angeles Examiner relative to the Hollywood Shakespeare festival, an enterprise in which a former Maryville resident, Claude C. Craig, now a prominent citizen of Hollywood, is the prime mover. Mr. Craig is the son of Louis N. Craig, who was in the grocery business in this city for a number of years.

Excerpts from the article follow:

On Friday night, May 19, at Beachwood park, in Hollywood, suburb of Los Angeles, Cal., Shakespeare's "Julius Caesar" will be staged in a natural amphitheater. It is all done by the people of Hollywood for the aid of the actors' fund. At this time there is \$10,000 in sight for the beneficent work with a prospect of as much more. In all there will be between four and five thousand people in the play, counting from principals down to decorative groups.

And even better than the undertaking is another which has grown from the ready case with which this project has been organized; for the laundryman, Claude C. Craig, has decided that Hollywood shall have a Greek theater to cost \$150,000 for an annual affair of this kind; all that is required to do anything for Hollywood is for this laundryman to decide to do it.

Craig used to be general manager and superintendent and money maker in general for big corporations; he tired of working for boards of directors and decided to work for himself; he built a big steam laundry at Hollywood which has been a decidedly successful financial undertaking.

Principals in the great Shakespearean production are: De Wolf Hopper, Frank Keenan, Tyrone Power, Sarah Truax, Theodore Roberts and William Farnum.

Rickman Fined \$2 and Costs.

Lawrence Rickman pleaded guilty to the charge of affray and was fined \$2 and costs, which were paid. Rickman and Billy Hitchcock got in a fight Monday night. Hitchcock pleaded guilty Tuesday. The Rickman case was set for today.

Mr. and Mrs. Byron Frost are business visitors in St. Joseph today.

KEENE WON AT LAST FIRST FETE GREAT

TOOK NORMAL BEARCATS 11 INNINGS TO LOSE

M.W. MAN GAVE ONE HIT

Hard Fought Game Yesterday With Errors Tossing Off Wakeman's Victory

It took Roy Keene of Missouri Wesleyan eleven innings to beat the Bearcats yesterday even if he is rated as the best pitcher in the college circuit. Besides pitching a one-hit game, he got one hit himself, scored two of their five runs and furnished all the real ball playing for his team, with the assistance of Reinhart, visiting first baseman.

The Normal players yesterday were the White Socks of Maryville, in other words, the "Hitless Wonders." In the first three innings, the Bearcats got three runs on no hits while "Possum Pixlee's Preachers" were getting no runs on three hits. Leech was so lucky that he was almost plucked once for a four-leaf clover.

This said second baseman got on base the first three times on errors, scoring the first two times on sacrifice outs by Scott. It was not until the last of the sixth when Ed Adams was sent in to bat for Wilson that the Normals got their first, last and only hit, Ed pushing a liner over second.

The Cameron boys gave their pitcher good support at the bat, getting eight hits. Their fielding support was poor in the first three innings, however, for Keene really should have had a shut-out in a regulation length game. The team was really a two-man team. Reinhart got three hits and a base on balls while an error got him on bases the fifth time he came up. He also scored two of the five runs, the fifth being chalked up by Poland.

Hickman's Work Commendable

Wakeman was in good form, the first seven balls which he delivered to the batters being strikes. But the really bright spot for the Normals was the catching of Tom Hickman. This player was panned unmercifully after the Kirkville game. Yesterday his work was altogether commendable until the fatal eleventh, when he dropped a high foul fly off Poland with two men gone and two strikes on the batter. Poland proceeded to get a hit followed by errors and a base on balls.

Miller's wild throw over Tilson's head was directly responsible for the last two scores. The Normal infield performed creditably except for the sixth and eleventh, when all seemed to go to pieces at once. Leach's two errors in the sixth were responsible for their first two runs. Wakeman was responsible for the run in the eighth, getting no one when a double play seemed most easy.

The big Normal hurler pulled out nicely in the fourth and sixth, fanning two men in a row in both innings with two men on bases. His work was harder because so many fouls were ticked off him. It was even harder on Hickman. No catcher ever took more punishment than Tom did yesterday, which makes his steady receiving all the more praiseworthy.

The Normal catcher smashed heavily into the stands in the sixth after Poland's foul fly and this same Poland at third base for the Normals did the same thing in the fourth. He got the ball after a hard run but dropped it when he fell heavily. It was really an out as the ball was momentarily held.

Former Maryville Player Umpires

The umpires were Funk and Sackett. The latter accompanies the Cameron team as trainer and caretaker. He is known in Maryville, having played shortstop on a Maryville team in 1909. The work of both officials was recommended (Continued on page 2.)

FIRST FETE GREAT

MAY DAY EXERCISES MAY BECOME ANNUAL EVENT

HUNDREDS SAW DANCES

Silver Offering Was \$28.82—Grade Teachers Give Picnics for Pupils Today

Several hundred persons attended the May fete which was given on the lawn in front of the high school this morning at 10 o'clock. This is the first program of folk dances given in Maryville by the pupils and teachers, and was a great success.

The teachers, Miss Helen Anne Wright and Miss Nell Hudson, deserve due credit for the work and patience which it must have taken to train so many in the various steps and dances. The two best, and it was very hard to select them, were the "Jumping Jack" and the "May Pole" dances.

The girls wore the white middie suits, white tennis slippers, and the boys wore shirtwaists, dark trousers and tennis slippers. They were, indeed, a refreshing sight to the eyes.

Misses Dora Carpenter, Mary Carpenter and Nell Hudson were the pianists. Mr. Westbrook assisted in directing the program. A collection taken this morning during the fete amounted to \$28.82.

It is hoped that the May fete will become an annual affair for Maryville.

Many Picnic This Week

This afternoon the teachers in the grades at the Washington school are entertaining the pupils with a picnic at the State Normal park. The teachers are: Misses Allie Worst, Hazel Vandervoort, Vera Tilson, Nellie Wray, Lois Farmer, Nell Hudson, Edna Bonewitz, Golda Airy, Bertha Northcutt and Mary Ford. Picnic games are the diversion but the "spread" is the real drawing card for the day.

The Garfield school teachers are entertaining their pupils with their annual closing school picnic on the school grounds this afternoon. A "feast" will be spread by the teachers. Luncheon, "feasts" and "spreads" have been the most important events on the program at the high school this week for both teachers and pupils.

HOLBROOK FAMILY REUNION

Two Sons of Mr. and Mrs. L. L. Holbrook Here With Families—Both Have Official Positions

R. R. Holbrook of Los Angeles, Cal., arrived in Maryville last night for a several days' visit here with his parents, Mr. and Mrs. L. L. Holbrook. His wife and two children have been visiting here for several days, while Mr. Holbrook was in New York City, where he had an exhibit of the resources of Southern California in the first national moving picture exhibition in that city. Mr. Holbrook is the official decorator of the city of Los Angeles.

Other visitors at the Holbrook home in this city are Mr. and Mrs. Carl Holbrook of Waterville, Kas., who arrived today to visit Mr. Holbrook's parents and his brother and his family. Mr. Holbrook is the postmaster at Waterville.

STAPLES WINS HIS MATCH

Preliminaries in College Tournament Eliminates Down to Normal and Westminster—Finals Tomorrow

Harold Staples won his match in the preliminaries of the tennis tournament at Tarkio this morning, defeating Charles Moore of Tarkio, 6-2, 5-7 and 6-4, the second set going to the Tarkio man. Meanwhile Sullivan of Westminster was defeating Davis of William Jewell two out of three sets by 6-6, 6-2 and 6-4.

These are the four teams which entered the meet. The doubles are being played this afternoon. By a strange coincidence Maryville drew Tarkio again, so Staples and Powell are competing with Moore and Grimm of Tarkio. Finals in doubles and singles will be played off tomorrow.

The track team left this morning for Tarkio where they will compete in the intercollegiate track and field meet.

Mrs. George Ingerson left this morning for St. Joseph, where she will be the guest of Mrs. O. D. Falls.

cox, Mo., traces its beginning back to 1850 when preaching services were held and the church organized in the home of Washington Griffith about one and a half miles northwest of where Wilcox now stands. This organization was called Griffith's class. A little later the school house was made the preaching place. Rev. Wm. Shaw was pastor and Rev. Wm. Patton, presiding elder, at the time of the organization in 1850.

The work was suspended during the war but was re-organized in 1866 by Rev. H. A. Davis as pastor. Rev. Wm. Rush was presiding elder.

In 1881, the church was moved to the Wilcox school house where the services were held until 1891 when the old church was built, the first church built in Wilcox. Rev. J. T. Loyal was pastor and Rev. R. H. Cooper, presiding elder when the church was built in 1891. It was dedicated by Rev. C. J. Vandever.

On March 27, 1915, the quarterly conference appointed A. J. Jensen, C. C. Hainline and B. C. Hall a building committee to remodel or rebuild the church. It was decided to tear down the old house and rebuild and the work was begun on September 6, 1915.

The last preaching service held in the old church was on August 29, 1915, and the first preaching service held in the new church was on January 9, 1916.

Overland of Charles Dean Reported

to Be a Joke

Lawrence Dean of Quitman drove the Overland car of his father, Charles Dean, to Burlington Junction last night to attend the commencement exercises. Lawrence "hitched" his auto in front of the Presbyterian church, two blocks from Main street.

After the program he went to get the car and it was not there. Pranks had been played recently and Mr. Dean thought some one had played a joke on him by hiding his car.

After a futile search of the town and suburbs, telephone calls and a description of the car was sent out over the country. This afternoon a report

from Villisca, Ia., stated that the car was seen near there. The car is a five passenger, 1914 model.

To Meet With Mrs. Bone

The Young Ladies' Mission circle of the First Christian church will meet Saturday afternoon with Mrs. Charles A. Bone. Mrs. Bone, Mrs. H. B. Schuler and Miss Mildred Miller will be hostesses.

Rain or Shine This Time

The I. O. O. F. and Rebekah lodges of Wilcox believe that the third time is the charm. They have announced the date for their mock trials two different times and the rain has interfered, so they have decided that the mock trial will be held Saturday night, rain or shine.

Mrs. Tate Elected President

Mrs. M. G. Tate was unanimously elected president of the Twentieth Century club at a called meeting yesterday afternoon at the Rest Rooms. Among other business transacted, a number of entertainments were planned for the summer months. A report showed the club cleared \$65 on the old papers and magazines they sold, and they decided to collect them again next year. They wish every one to commence saving now so that a full carload may be collected next year.

Dinner for Mrs. Jones

Mrs. T. M. Trullinger and Mrs. Earl Trullinger were the hosts at 12 o'clock dinner at their country home near Maryville Tuesday in compliment to Mrs. I. Jones of Portersville, Mo., who is the guest of her daughter, Mrs. Earl Trullinger. Covers were laid for Mrs. Frank Hall and daughter, Vivian, Mrs. W. A. White, Mrs. William Job, Mrs. Robert Noakes, Mrs. Orville Willhoite and daughter, Leora, Mrs. M. J. Willhoite, Mrs. J. C. White and Miss Elizabeth Lee. Mrs. Jones and her daughter left this morning for Springfield, Ill., where they will spend several weeks with relatives.

HAD 'BUNKING' PARTY

JUNIOR BOYS STAYED CLOSE TO LEWIS HOME

Seniors Camped Round About and Spent Night — Sophs' Flag Goes Up

The boys of the Junior class of the Maryville high school had a bunking party at the home of Martin Lewis, Jr.,

while the seniors were patriotic and trained themselves for military duty by spending the night on guard.

One bunch of seniors were in the Franklin school yard, another group reposed comfortably (?) on the Wash viaduct on North Main while a third patrol of sentries watched the rear entrance of the Lewis home lest any of the number escape. One did try to go home in the early morning but one of the guards spied him and he hid himself back to the interior of the house.

While all this was going on, the artists of the class with Goff Crawford in charge were "improving" upon the sign board at Main and First by using some of the verbiage usually used by the sophomores at M. U. against the freshmen before the days when hazing was voted down.

The sophs in M. H. S. got busy last night and have a large pennant on the Martin building right across from the beloved signboard. Although the sophs are allies of the Juniors, the seniors will make no effort to take down the new flag. They say that they are leaving the sophs to the freshmen just as Germany leaves Italy for the Austrians to handle.

Mr. and Mrs. William Brown left this morning for Savannah, where they will be the guests of Mr. and Mrs. George Irvey.

Teddy Lee, 3-year-old son of Mr. and Mrs. Fred Norris, who was brought to Maryville for treatment for burns, is much improved and was taken home yesterday.

DEATH FROM SEVERE COLDS

14-Months-Old Infant of Mr. and Mrs. Harry Ellis of Quitman Choked by Phlegm

The 14-months-old child of Mr. and Mrs. Harry Ellis, living five miles west of Quitman, died last night at 8:30 o'clock. Congestion of the bronchial tubes was the direct cause of its death.

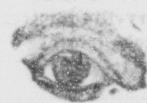

The child had had a severe cold several weeks. Last Thursday Mrs. Ellis discovered it was choking and being alone picked up the child and ran three-quarters of a mile with the child to the home of Mrs. Tom Deffenbaugh.

At the time it was thought the child had swallowed a pin, but later the physician said it was phlegm that had caused the child to choke. Since then it has been seriously ill. The body will be taken to York, Mo., for burial.
